Brian & Michelle Gallagher

“ From start to finish the Radisson Blu Hotel Limerick have been top notch. They made our experience first class; every member of staff was absolutely amazing and the wedding coordinator Angela was simply outstanding. Angela was an absolute pleasure to deal with from communication through to execution we honestly think she's the pinnacle of wedding coordinators in Ireland. Our guests were looked after from the moment they arrived and we as a couple knew we were in very safe and the very best hands available. The hotel was impeccable. We would highly recommend the Radisson Blu Hotel Limerick to any of our friends and family. The petting farm at the back of the hotel also made for amazing photos and the gardens made for an intimate ceremony which we absolutely loved. We honestly can't say Thank you to Angela and all the staff enough. It was an absolute pleasure working with them. The sheer attention to detail was just eye opening to us as a couple who also worked within the hospitality industry for over 10 years. ”
